“A human being is a part of the whole called by us universe, a part limited in time and space. He experiences himself, his thoughts and feeling as something separated from the rest, a kind of optical delusion of his consciousness. Our task must be to free ourselves from this prison by widening our circle of compassion to embrace all living creatures and the whole of nature in its beauty.”

# A NEW WAY OF SEEING OURSELVES

Humankind has not woven  
the web of life.  
We are but one thread within it.  
Whatever we do to the web,  
we do to ourselves.  
All things are bound together.  
All things connect.

Chief Seattle, 1854

## What If?

What if our religion was each other?

If our practice was our life?

If prayer was our words?

What if the Temple was the Earth?

If forests were our church?

If holy water—the rivers, lakes and oceans?

What if meditation was our relationships?

If the Teacher was life?

If wisdom was self-knowledge?

If love was the center of our being
